TRAVEL NOTICE!!

**RE: CONTINENTAL AIRLINE REQUIRING VALID FSM
PASSPORT TO TRAVEL TO FSM EFFECTIVE FEBRUARY
23, 2007**

Dear FSM Citizen,

Greetings from your Embassy in Washington, DC! As part of its compliance with US Federal Regulation on air(airlines) and sea(ships) carriers, Continental is now requiring all passengers, regardless of age or citizenship, to have their passports when traveling back to FSM. This became effective on February 23, 2007.

Without a passport, Continental will not allow you to board their planes if you plan to travel to your home state or any of the other state in FSM. In this regard, you are kindly advised that before traveling back to FSM, please make sure you have a valid passport. **Continental has advised us that it will NOT honor any letter issued, as travel document, to FSM Citizens by any FSM Embassy or Consulate.** Please be informed that Continental is doing this as it is complying with the US Federal Requirement intended for security measures. Please share this with fellow FSM citizens in your area and elsewhere in US.

Please visit our Embassy's website, shown above, to learn about new developments or updated general information and travel alerts/notification. Please contact the Embassy at email address (firstsecretary@fssembassydc.org) or at the numbers above for further inquiries. Thank you.
